

# WILEY DIGITAL SOLUTION

One-Stop Digital Teaching and Learning Partner

## AT A GLANCE

### Market-leading Digital Teaching and Learning Content Tools

**Tailored to suit your academic needs.** With over 20,000 high quality textbooks and references across 10 subjects, interactive media and digital resources available, optimizing your institution courses for a digital or blended learning is made easier.

### Seamless Integration with your LMS

**Almost second-nature to your instructors and students.** Digital content and resources fit right into your existing learning management system with deep link integrations within each course and in-person/web trainings for instructors and students available, the users can only be as great as our content.

### Always Prepared, Round the Clock

**Instructors plan - students arrive prepared, Wiley Digital Solution does the rest.** With 24/7 access and strong faculty and student support, the tools to drive your learning outcomes are in good hands.
